Declaration

Synflex Industries LLP declares compliance with Regulation (EC) No 1907/2006 (REACH) for the product families listed above, on the basis stated in the company-supplied declaration:

No substances are included under Title VII (Authorisation), Articles 56-59, Annex XIV, or Title VIII (Restrictions), Articles 67-73, Annex XVII, at the consideration limits defined in the relevant statutory provisions.

The products do not contain substances declarable under Title IV, Article 33, referring to substances on the ECHA SVHC list, at the relevant statutory consideration limits (% by mass, w/w).

Basis and document scope

This website copy consolidates the company-supplied PET / PA declarations and the company-confirmed extension to aramid, fibreglass and heat-treated fibreglass. It is a manufacturer declaration, separate from a third-party test report or certification. For a customer-specific yarn, colour, treatment or construction, request documentation matching the quoted product.
